*National Institute for Fusion Science, 322-6 Oroshi-cho, Toki 509-5292, Japan*

*<sup>a</sup>Japan Atomic Energy Agency, 801-1 Mukoyama, Naka 311-0193, Japan*

*(Times font, 10pt, Italic, centered)*

e-mail address of submitting author (Times font, 11 pt, normal, centered)

The page setup is A4 with a top margin of 4.00 cm, and a 2.54 cm margin on left, right, and bottom of the page. The body of the abstract should be in Times Roman 12 point type with single line spacing. Use justified margins. Please define acronyms when they are first used. A single space following a period works best. The title of the abstract should be bold in Times Roman 14 point type and the affiliations italic in 10 point type.

The abstract must be in English. Your abstract length is limited to 1 page. When citing references in the body of the abstract, please use square brackets around the number, for instance [1](example below). Funding information (if necessary) should appear at the bottom of the page as a footnote in 10 pt Times Roman.
